May 23, 2018

Mr. Michael Yulkin
Director-General,
Climate Change Working
Group at Russian Union of
Industrialists and Entrepreneurs

Dear Sir,

International Center for Green Technologies and Investment Projects expresses you sincere gratitude and deep appreciation for your inspirational presentation at the panel session "**Green Economy: A New Model of Sustainable Growth**" of the XI Astana Economic Forum "**Global Challenges Summit**".

We wish you success in your work for the benefit of improving the environment and preserving our planet for future generations.

We look forward to our further fruitful cooperation.

Sincerely yours,

Chairman

Rapil Zhoshybaev
